

# Keep Rockland Beautiful—Report a Litterbug!!

*Annoyed by litter?* Send a message to people who throw trash from cars, littering our roadsides, clogging storm drains and forcing volunteers and local government to engage in costly cleanup campaigns.

Your reports will generate warning letters from the Sheriff Department to vehicle owners, who may be the parents or employers of drivers you see littering.

Contact “KRB” to receive a free pad of these litter warning tickets to keep handy in your car. In the meantime, make copies of this page and start “busting” litterbugs today! Only complete reports based on directly observed littering will result in warning letters. No guess work allowed!

See the KRB website for details on this and other programs for beautifying Rockland County—our home! **[www.KeepRocklandBeautiful.org](http://www.KeepRocklandBeautiful.org)**

Thank you for your help!
